*May be cooked to order. Consuming raw or undercooked meats, poultry, seafood, shellfish, eggs, or other foods may increase your risk of foodborne illness, especially for children, the elderly, and people with weak immune systems. USDA recommends cooking whole chicken, turkey, and ground chicken and turkey to an internal temperature of 165°F (74°C) for general food safety guidelines. USDA does not recommend a daily calorie intake for general nutrition advice for children age 4-8 years, but calorie needs vary. 2000 calorie is a day used for general nutrition advice, but calories needed vary.

**Quality & Care We Love To Share**

Whether you’re bringing in a meal for yourself or someone else, we try to make every moment with us the best it can be. 

**QUALITY COMES FIRST, EVERY DAY, EVERY WAY**

We are committed to providing our guests with high-quality, homestyle food. If we can’t source ingredients that meet our high standards for a dish, we simply don’t serve it. It’s this dedication to quality, combined with our real homestyle recipes, that makes our country style cooking so authentic and delicious.

Take a closer look at some ingredients and preparation methods that make your Cracker Barrel meal a little more special.
